STRENGTHS

1. Non-marking PU wheels allow easy transport and handling. They are doubled in order to optimise weight distribution to prevent any possible damage to courts due to the weight of the goal
2. The pedestal feet are fully adjustable in order to compensate possible court irregularities
3. Locking bolt on the extensible strut can be locked in playing position thanks to a padlock (not included)
4. Counterweights and extension springs are fully covered at all times to prevent injuries or vandalism
