

LET'S PLAY SCOREAPP

Bodet
Sport

BODET SPORT SCOREAPP

With its self-referee feature, ScoreApp is a scoring solution that you use directly from your smartphone or smartwatch.

DISPLAY MEDIA

FREEDOM

Referee the match with complete autonomy, simply by connecting to ScoreApp. Enjoy total freedom of movement.

STAY CONNECTED

The connection between ScoreApp and your display media uses Wi-Fi, meaning no Internet connection is required.

SECURE EQUIPMENT

Once the equipment is installed, no further setup is necessary – all the features are controlled from your smartphone or smartwatch.

DISPLAY MULTI-MEDIA

Relay in real time to the display media of your choice: scoreboard, TV screen. They are all compatible.

**COMPATIBLE WITH THE FULL RANGE
OF BODET SCOREBOARDS**

6 SPORTS AVAILABLE

FUTSAL

Ideal for autonomous management of sports halls and clubs.

3X3 BASKETBALL

Adapted for use between colleagues and friends.

MULTISPORT

Game clock, points, and more. Everything you need for training sessions and for all types of sports.

PADEL

Padel, Tennis, Badminton...

A simple and accessible self-referee function, at your fingertips.

TENNIS

BADMINTON

COMPATIBILITY

ScoreApp uses a separate module to set up a connection between the scoring software on your smartphone or smartwatch and your chosen display media: scoreboard, HDMI TV. With the Wi-Fi connection all set up, you're ready to play!

Already have a ScorePad?

Perfect! ScoreApp and ScorePad are fully compatible.

+ SMARTPHONES

Compatible with Android and iOS smartphones.

+ SMARTWATCHES

Compatible with WearOS smartwatches.
